DEDICATION

MR. RUSSELL R. GRUMLING, the Supervising Principal of the Dale High School, who is a native and lifelong resident of the borough, has been chosen by the Class of 1955 for their yearbook dedication.

He is a graduate of Dale High School. In the field of education, he has received his Bachelor of Arts degree from Albright College, Reading, and his Master of Education degree from the University of Pittsburgh.

"Learning is Living."

"Living is Learning."

You, the Seniors, have been "living" and "learning" in the atmosphere and surroundings of the school community for the past twelve years. You have come to the milestone in your life when soon you will be "living" and "learning" under another set of conditions and environment.

Although it has been my pleasure to be with you for a very short time, I am grateful that the association with you has been at the occasion of the most worthwhile and most pleasant experience of your school life - your last year in school. The goal for which you have been striving is within your reach. You have learned while you have lived; you have lived while you have learned. May the learning acquired while living in school carry you forward to greater learning and better living as you leave us.

My heartiest congratulations to you for your achievement of this well-deserved accomplishment.

ADVISORS

MISS KATHRYN LONG

To Miss Long and Miss Rager,
our advisor pair
Who found no task too large
to bear,
Who came to our rescue when
we got off the track,
And even helped out in the
managing of our "jack,"
We wish to salute them and to
honor their vim.
For you see we would be nowhere
without the help of 'em.

The Assembly on Nov. 10 was opened by Miss Gorris, who led us in singing one verse of "The Star Spangled Banner." Devotional reading was by Linda Hiner. Ronald Nolan sang two tenor solos, "Where E'er You Walk" by Handel and "Hills of Home" by Foxe.

A panel on education was conducted by Mr. Mitchell. Members of the panel were Doris Berringer, Marlin Rosbaugh, Beverly Ling, Arthur Grumling, and Alice Wilson. The students and teachers were permitted to ask questions of Mr. Mitchell and the panel.

Alice Wilson closed the assembly with a trumpet solo, "Atlantic Zephyrs."

A GAME MAN'S PRAYER

Dear God: Help me to be a sport in this little game of life. I don't ask for any place in the lineup;-- play me where you need me. I only ask for the stuff to give you 100% of what I've got. If all the hard drives come my way I thank YOU for the compliment. Help me to remember that You won't let anything come that You and I together can't handle. Oh help me to take the bad breaks as part of the game. Help make me thankful for them. God, help me to always play on the square, no matter what the other players do. Help me to come clean. Help me to see that often the best part of the game is helping the other guys. Help me to be a 'regular' fellow with the other player.

Finally, God, if fate seems to uppercut me with both hands, and I'm laid up on the shelf in sickness or old age, help me to take that as part of the game--and help me not to whimper or squeal that the game was a frameup or that I had a raw deal. When in dusk I get the final bell, I ask for no lying complimentary stones. I'd only like to know that you feel I've been a good guy."

The Junior Varsity experienced a success-season, but the Varsity broke even with a 9 - 9 tie, winning 9 and losing 9 each.

The Purple Raiders floored an inexperienced team, consisting of eleven players--three seniors, four juniors, and four sophomores. Paul Cuppett was high scorer followed by Bill Burtnett and Larry Frombach.

Although inexperienced, they made up with plenty of hustle and accurate shooting.

The Junior Varsity experienced a successful season by winning 12 and losing 6 of the 18 games on schedule. Dale Mock led the team in scoring.

If the J. V. players continue with the same type of play in the future Dale's hopes and chances of a championship team will be very high.

INTRAMURAL SPORTS

GIRLS' INTERCLASS BASKETBALL

The girls of the 1955 Senior Class took the Interclass Basketball Championship for the third consecutive year.

The purpose of the girls' interclass team is primarily to create an interest in sports in general. The captain of the team was Mary Jane Fisher. She has done a great deal in assisting the senior girls to take a more active part in the different sports here at Dale.

The success of the team was due to the good sportsmanship shown throughout the season by the girls.

Seniors 18 Sophomore 10

Seniors 29 Juniors 11

BOYS' BASKETBALL

Bill Burtnett, Paul Cuppett, Kenneth Godfrey, Leo Sedlemeyer, Jim Berkebile, Kenneth Meyers.

After losing games to the Sophomores and Juniors the Senior Boys then won four straight games. They ended up in second place with a record of four and two. This was the first year the Senior Boys won any games in intramural sport.

The Seniors placed four members on the All-Star Team--Ken Meyers, Paul Cuppett, Bill Burtnett, and coach Jim Berkebile. Ken Meyers was high scorer for the season with 101 points in six games.

The Sophomores ended up in first place with a record of five and one. Their lone defeat coming at the hands of the Seniors.

Volleyball was a new intramural sport for the pupils at Dale this year. Although the sport itself was not new, this was the first year it was played as intramurals.

It was the first year, in over 25, that Dale did not have a football team; and although we missed the sport very much, we were able to get a larger variety of intramural sports which enabled the students to have a lot of good, clean fun.

We wish to thank Mr. Michaels for the help and guidance he gave the student body as a whole during the sports events.

The highlight of the Boys' basketball season was an All-Star game between the Sophomore Champs and the Stars from the other clubs.

The Sophomores moved out in front by 12-4 first period count, but the All-Stars exploded for a 15-2 second quarter to put the game out of the Champs reach. When the final horn sounded, they were ahead by 44-24.

Larry and Dahl Frombach paced the All-Stars with 13 and 12 points respectively.

PROPHECY

PROPHET - Janet Kleinmeyer

Hold your breath! In this fabulous year of 1963 you have been chosen Queen for a Day. You are now about to be whisked off to the teeming metropolis of Fairview Park, where you will be wined and dined in a magnificent fashion. For your trip, we have selected a beautiful wardrobe designed by the world-famous dress designer, DEANNA DICKERT. To top off the wardrobe we have hats designed by Lilli Dache's protege, NANCY GRAFF. To make life softer yet, you will receive a selection of colorful cashmere sweaters manufactured by the famous FREIDLINE Sweaters, Inc. (the sweaters you love to touch), and also a year's supply of cosmetics from BARRINGER'S Delightful Cosmetic Company. You will be given complete beauty treatment and hair styling by NEVA CRIST, CONNIE BEWAK, DONNA COLLINS, and CLAUDETTE RHEEL to make you a new woman.

For reading enjoyment on your trip we have for you the new best seller, ELEANOR FERG'S autobiography, "It's Really Cheaper By The Dozen." For a little something to nibble on, here is a box of ROBERTA'S famous chocolates (Hollyhead) HmMMM boy, are they good!

The limousine driven by KNIPPLE is now waiting to take you to the airport where the Constellation Cosmopolitan designed by BURTNETT will fly you to Fairview Park.

Our queen is now riding high in the clouds. She is seated next to the famous All-American Football player, Jack LEONARD and all-American basketball star, PAUL CUPPETT. As she looks out the window she sees below the famous Fairview Park ball diamond where SEDLMYER, WEBB, and WILLIAMS are helping to win the World Championship. The stewardess, NANCY GEISEL announces "Please fasten your safety belts. We're coming in for a landing."

Mayor Grumling greets her by presenting her with the key to the city. Radio announcer NORMA MOSCHGAT is relating the momentous event to the public. JANET KLEINMEYER, editor of The Fairview Park Pooper, is there to cover the story. Judge BREWER and Chief-of-Police BERKEBILE accompany her in the lead car of the parade to her hotel which is owned by KEN GODFREY. Host and hostess, KEN MEYERS and MILDRED BOTTEICHER are waiting there to welcome her and make her stay a pleasant one.

The queen enters the well-known Pump Room of the hotel for dinner. ART GRUMLING, the chef, better known as "Tasty Art," with the aid of GALE KEITH, dietitian, have prepared a delicious meal. STUTZMAN'S Melody Four with NANCY KINSEY at the clarinet, DON MYERS at the drums, ALICE WILSON, on the Cornet, and ROGER STUTZMAN, the man at the piano, are playing their famous theme song, "Sh-Boom." Joining her at the table are GWEN EVANS, well on her way to fame as a dramatic actress, DONNA DALY, a Power's model, ALBERT SCHMALZ, well-known criminal lawyer, DONNA NOON, drugstore millionairess, and MARY JANE FISHER, renowned modern painter. She will never forget dining with these famous celebrities.

LAST WILL AND TESTAMENT

OF

CLASS OF 1955

Upon behalf of my client, the Class of '55 of Dale High School, City of Johnstown, State of Pennsylvania; I have drawn up, on this solemn and serious occasion, her last will and testament, in which she gives you from her dying hand the few gifts she has to bestow in her last moments. She has tried to be just, as well as generous, and to give unto those who will make the best use of such gifts, the talents that have served her so faithfully these four years. These are her decisions, as at last definitely arrived at through very deliberate consideration, owing to the flighty condition of her brain and the unusual disturbance of its gray matter. She begs me to state for her that she may quite possibly be mistaken in her inventory; but such things as she thinks she has, she hereby gives into your possession, praying that you will accept them as a sacred trust from one who has gone before.

We, the Class of 1955, in thirty-seven individual and distinct parts, being about to pass out of this sphere of education, in full possession of a crammed mind, well-trained memory and almost super-human understanding, do make and publish this our last will and testament, hereby revoking and making void all former wills or promises by us at any time heretofore, as the thoughtless wish of an idle hour.

First. We direct that our funeral be carried on with all dignity and pomp that our worth, our merit, our attainments, our position as seniors of "grave and reverend mien" must certainly be deserved.

Second. We do hereby dispose of the things which our capable hands and brains have won for us as follows:

Item. To our faculty we give and bequeath all the amazing knowledge and startling information that we have furnished on our exam papers from time to time. This also includes the numerous "ponies" which carried us safely through the various tests.

Item. To the Junior Class the title of Seniors, and hope that they will prove worthy of it. Also we appoint to them our homeroom seats, with all chewing gum and other properties affixed, to be held during their Senior year.

Item. To all--Any pencils, erasers, musical gifts, or paper that we may leave behind us in the excitement and haste of our exit. May they feel free to make use of them, hoping that in some mystic way these objects will impart to them some of our great knowledge. We leave our auditorium seats to whomsoever may grab them first.

All the remaining residue of our property, whatsoever and wheresoever, of what nature, kind or quality not herein before mentioned, we leave to Miss Long and Miss Rager for disposal.

In witness whereof we, the Class of '55, the testators, have to this our will, written on parchment paper, set our hands and seal this Twenty-Seventh day of May, 1955.
